## Confirmation of planned volumes for participation in the Dual System for 2022 in accordance with §7 of the German Packaging Act (VerpackG)

Dear Sir or Madam,

We hereby confirm the participation of the planned volumes notified by you for the period **01.01.2022 - 31.12.2022** in the dual system Recycling Dual.

| Material fraction                              | Forecast volume<br>in kg p. a. |
|------------------------------------------------|--------------------------------|
| (100000) Glass                                 | 0,000                          |
| <b>(200000) Paper / paperboard / cardboard</b> | <b>100,000</b>                 |
| (300000) Ferrous metals                        | 0,000                          |
| (400000) Aluminum                              | 0,000                          |
| <b>(500000) Plastics</b>                       | <b>10,000</b>                  |
| (600000) Beverage carton packaging             | 0,000                          |
| (700000) Other composite packaging             | 0,000                          |
| (800000) Other materials                       | 0,000                          |

Please remember to enter these volumes analogously in LUCID (<https://lucid.verpackungsregister.org/login>) as intra-year volume report for 2022. We report the same volumes for you under LUCID reg. no. **DE2930519940535**.

The volumes listed are your forecast. The actual volumes will be reported to us by you at the contractually agreed frequency and subsequently confirmed by us.

This letter has been typed and is valid without signature.
